BOW PROJECTS

ONGOING PROJECTS

Mt Miller BESS

The Mt Miller 400MW /1.6GWh battery energy storage project, with a total investment of approximately AUD 680 million, is set to become one of Queensland's largest clean energy projects.

The Mt Miller Battery Energy Storage System (BESS) is expected to be the state's largest standalone storage project, providing critical support to the Queensland grid through high-capacity peak shaving and frequency regulation. It will significantly enhance grid stability and help balance regional energy supply and demand.

Address: The site is located in central Queensland, Australia, approximately 450 km north of Brisbane, adjacent to a large 275 kV substation.

Site: The target site is Area A, shown on the right, covering approximately 250,000 square meters.

Capacity

400MW/1.6GWh
(4 hours)

Period

Development Timeline:
Approximately 2 years

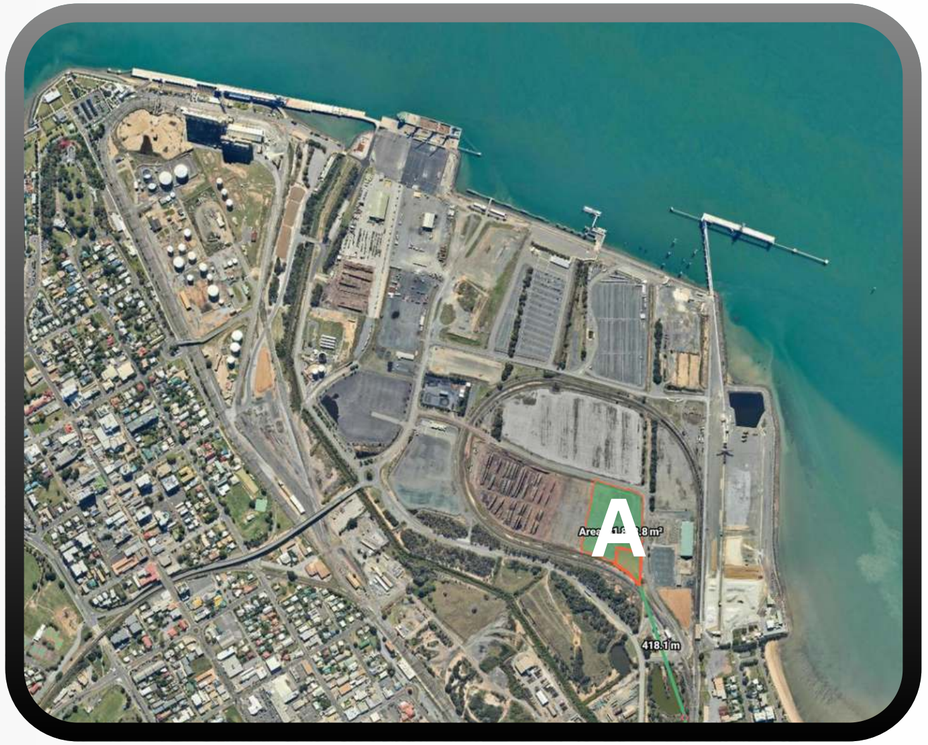

Construction and Commissioning:
Approximately 4 years

ONGOING PROJECTS

Gladstone Battery Energy Storage Power Station (BESS)

The grid-scale Battery Energy Storage System (BESS) at the Port of Gladstone, Queensland, Australia, is a flagship project supporting the vision of a green and low-carbon port.

With an installed capacity of 125 MW and an energy storage capacity of 500 MWh, the system can supply electricity to approximately 35,000 Australian households with a single full charge. It will also provide reliable power support to the Port of Gladstone, helping to facilitate the smooth delivery of the port's AUD 15 billion upgrade program.

Address: The Port of Gladstone, located in Queensland, Australia, is approximately 430 kilometres north of Brisbane.

Site: The target site, identified as Area A in the figure on the right, covers an area of approximately 30,000 square metres.

Capacity

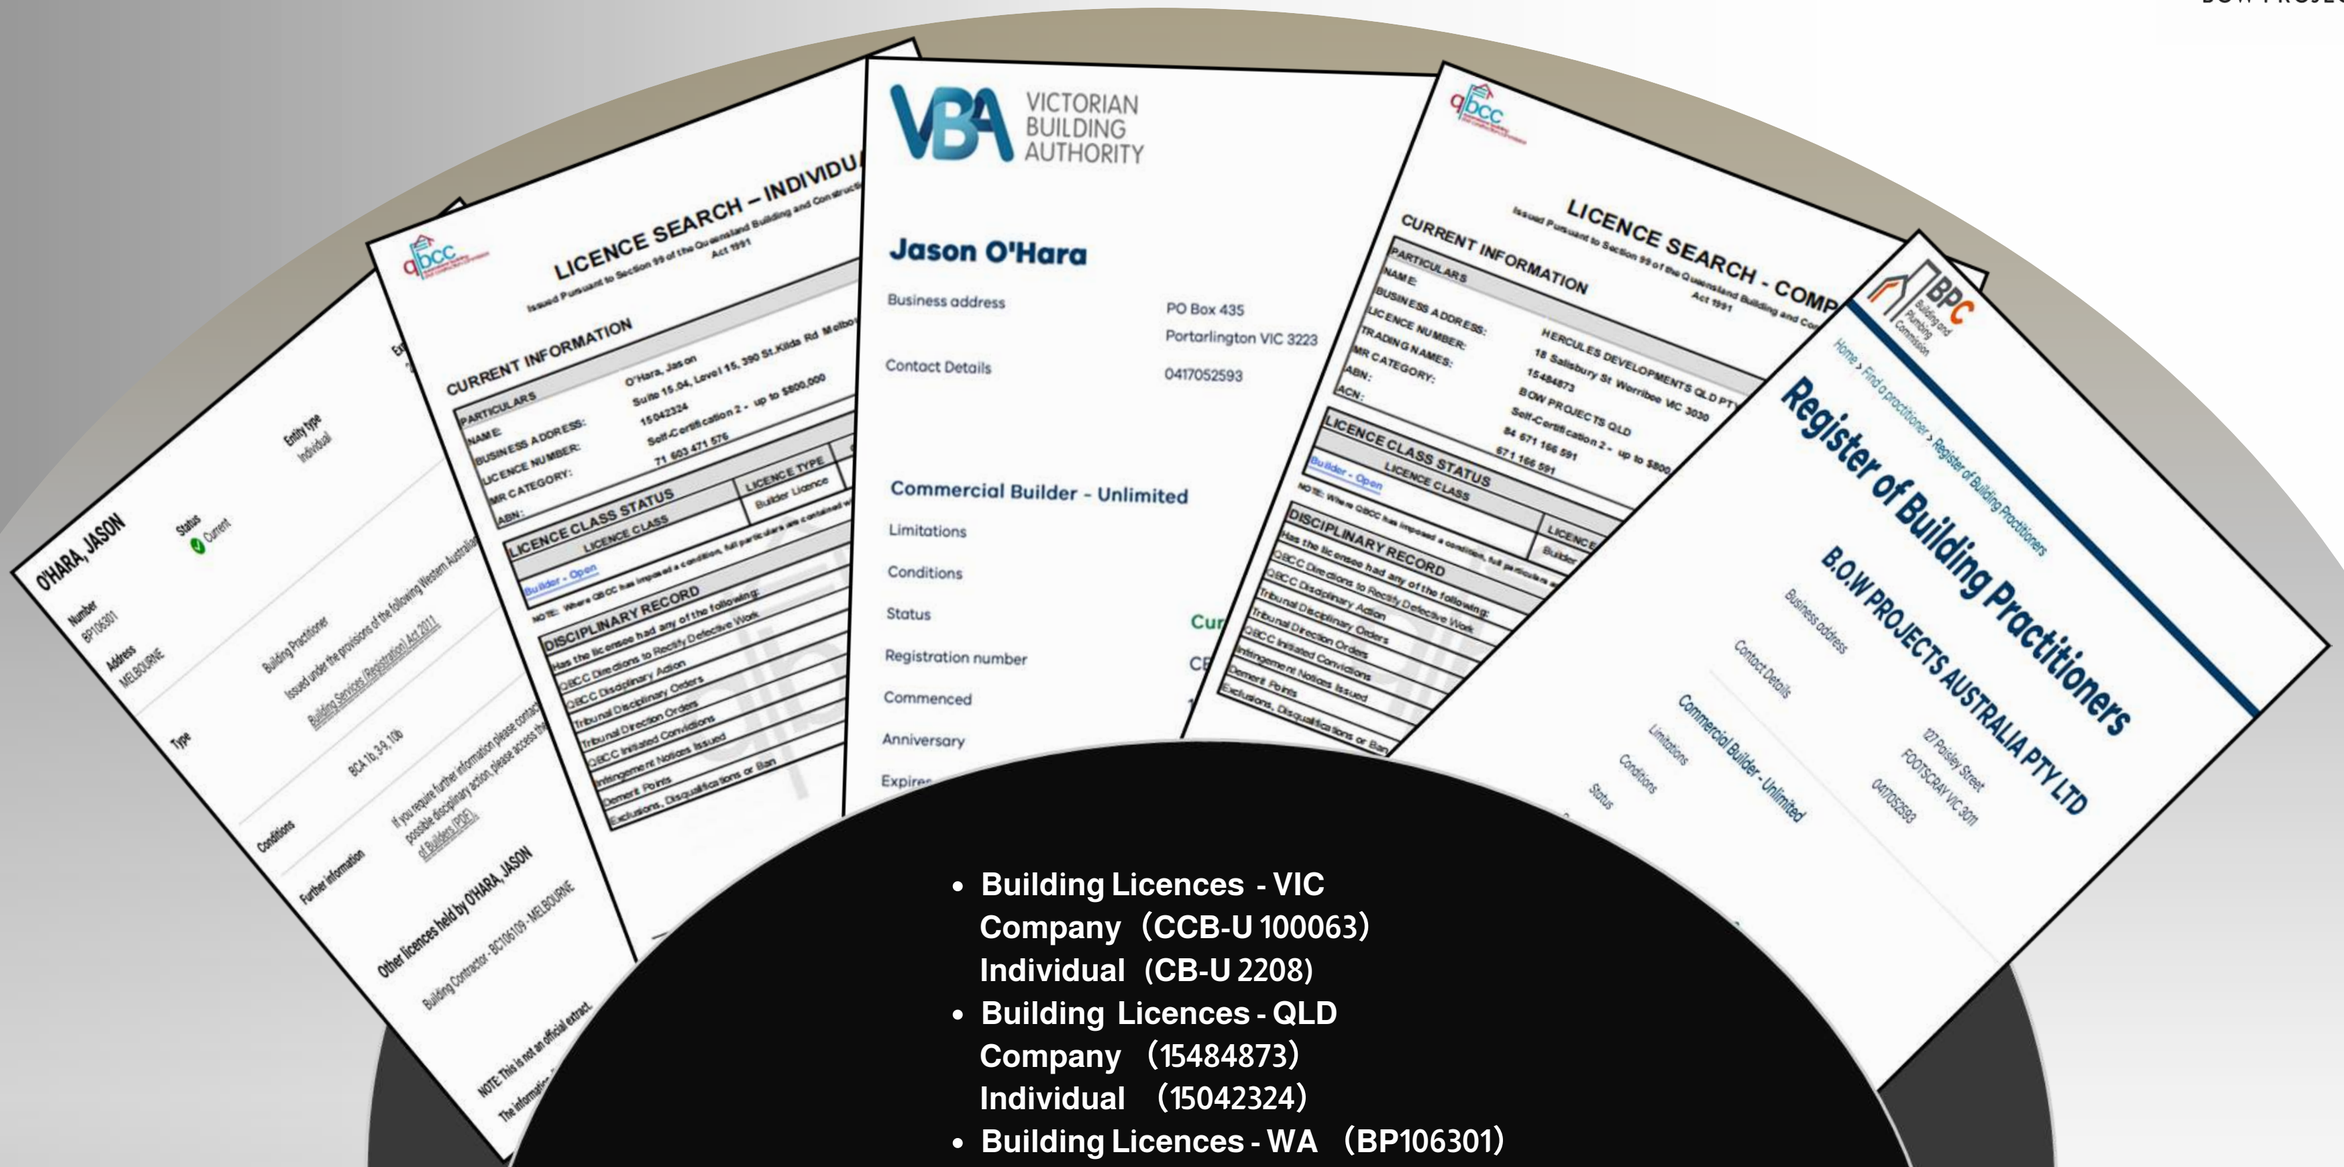

125 MW / 500 MWh
(4 hours)

Investment Size

AUD $220 million

LETTERS OF SUPPORT

Michaela Lihou
CEO
Master Builders Victoria (MBAV)
332 Albert St East Melbourne VIC 3002
22nd June 2023

Jason O'Hara & Joe Brinzi
127 Paisley St Footscray 3011

Subject: B.O.W Projects Australia

I am writing this letter to express my full support for Bow Projects and its key individuals, Jason Ohara and Joe Brinzi. As an esteemed member of the building industry, I firmly believe that their contributions and achievements have been invaluable to the Southern East Coast region.

First and foremost, I would like to highlight the exceptional work carried out by Jason Ohara. His expertise and dedication have played a pivotal role in delivering iconic projects within the region. Throughout his career, Jason has demonstrated unparalleled skill in project management, ensuring the successful completion of numerous noteworthy ventures. His commitment to excellence, attention to detail, and ability to navigate challenges have consistently resulted in the creation of high-quality structures that stand as a testament to his remarkable capabilities.

Furthermore, I would like to commend Joe Brinzi for his outstanding leadership in the field of safety. His innovative approach to developing safety systems has not only benefited the building industry but has also brought him well-deserved recognition on both the state and national levels. Joe's unwavering commitment to ensuring the well-being of workers and the implementation of robust safety protocols has undoubtedly set a benchmark for safety standards across all industries. His achievements have also contributed significantly to fostering a culture of safety within the broader construction community.

Bow Projects, under the guidance of Jason Ohara and Joe Brinzi, has consistently demonstrated a strong commitment to delivering exceptional results while prioritizing the well-being of their staff and adhering to industry best practices. Their leadership, expertise, and unwavering dedication to excellence make them an asset to the building industry as well as the community at large.

Considering the above, I wholeheartedly endorse Bow Projects and strongly recommend their involvement in any future Endeavor's. Their track record of success, combined with their commitment to safety and quality, makes them an ideal choice for any construction project. I am confident that their continued contributions will not only benefit the Southern East Coast region but will also elevate the standards of the construction industry.

Thank you for considering my endorsement of Bow Projects and for your ongoing efforts to promote excellence within the building industry.

Yours sincerely,

Michaela Lihou

Subject: B.O.W Projects - Joe Brinzi

Dear whom may it concern,

I am writing this letter to express my enthusiastic support for Joe Brinzi's involvement with BOW Projects. Having had the privilege of working closely with Joe for several years, I can confidently attest to his exceptional skills, dedication, and contributions to the organization.

Joe's exemplary leadership qualities and ability to inspire and motivate team members have been instrumental in driving the success of projects. His clear vision, strategic thinking, and effective decision-making skills have consistently led our team towards achieving project goals and delivering outstanding results. Joe's unparalleled ability to foster collaboration, innovation, and professional growth.

One of Joe's standout qualities is his unmatchable project management expertise. His possesses a deep understanding of project lifecycle processes, from initiation to completion. and skillfully applies best practices to ensure efficient project execution. Joe's meticulous attention to detail, combined with his exceptional organizational skills, enables him to effectively plan, schedule, and allocate resources, ultimately leading to successful project outcomes.

Joe's technical proficiency is truly commendable. He stays abreast of the latest industry advancements and consistently seeks opportunities to enhance his knowledge and skills. His ability to leverage cutting-edge technologies and methodologies has greatly contributed to the optimization and streamlining of project workflows. Joe's analytical mindset, problem-solving abilities have been instrumental in identifying and resolving project challenges, ensuring smooth project progression.

Furthermore, Joe's dedication to fostering strong client relationships has been commendable. He understands the importance of effective communication and consistently goes above and beyond to ensure client expectations are met and exceeded. Joe's exceptional

to establish rapport and build trust with clients, resulting in long-term partnerships and repeat business opportunities for BOW Projects.

Beyond his professional achievements, Joe is a respected and valued member of the community. He actively engages in social responsibility initiatives, consistently giving back and inspiring others to make a difference. Joe's commitment to sustainability and his efforts to positively impact the lives of others serve as a shining example to his colleagues and industry peers.

In conclusion, Joe Brinzi is an invaluable asset to BOW Projects, and I wholeheartedly endorse his continued involvement with the organization. His exemplary leadership, technical expertise, and unwavering dedication make him an outstanding professional and an invaluable team member.

I wish B.O.W Projects all the best for the future.

Sincerely,

Christian George.

Subject: B.O.W Projects - Joe Brinzi and Jason Ohara

I am writing this letter to express my wholehearted support for BOW Projects and to commend the exceptional work of Joe Brinzi and Jason Ohara in the field of construction and bushfire cleanup.In 2009, 2016 and 2019. As an official representative of the Environmental Protection Agency (EPA), I have had the privilege of witnessing their dedicated efforts firsthand and have been consistently impressed by their professionalism and commitment to environmental sustainability.

The BOW Projects, under the leadership of Joe Brinzi and Jason Ohara, have made significant contributions to the recycling and remediation of contaminated soil resulting from bushfires. Their innovative approaches and extensive knowledge in the field have been instrumental in developing effective strategies for addressing the environmental challenges posed by these incidents.

I would like to highlight the awards received by Joe Brinzi and Jason Ohara from the EPA for their outstanding achievements in recycling contaminated soil on the AXA Project. Their work has not only resulted in the successful rehabilitation of affected areas but has also set a precedent for environmentally responsible practices within the construction industry.

Throughout our collaboration, I have found Joe Brinzi and Jason Ohara to be diligent, resourceful, and highly skilled professionals. They consistently demonstrate a deep understanding of the complex issues associated with bushfire clean-up and construction projects, and their ability to navigate regulatory frameworks and develop sustainable solutions has been truly commendable.

Furthermore, their dedication to fostering positive working relationships has been invaluable. They have consistently exhibited a cooperative and respectful attitude towards their colleagues, stakeholders, and regulatory bodies, facilitating effective communication and collaborative problem-solving.

I firmly believe that the exceptional performance of Joe Brinzi and Jason Ohara reflects their unwavering commitment to environmental stewardship and their passion for creating sustainable communities. Their achievements serve as a testament to their expertise, work ethic, and integrity.

In conclusion, I wholeheartedly support the BOW Projects and wish to express my gratitude to Joe Brinzi and Jason Ohara for their remarkable contributions to the field of construction and bushfire clean-up. Their exemplary work sets a standard for environmental responsibility and serves as an inspiration to others in the industry.

I wish B.O.W Projects continued success in their endeavours.

Sincerely,

Lee Mezzis.

Subject: Joe Brinzi- B.O.W Projects Australia

Dear Client
I am writing this letter to express my full support for Joe Brinzi and his exceptional contributions to Workplace Health and Safety (WHS) compliance and safety leadership in the construction industry. As a representative of Bow Projects, I have had the privilege of witnessing Joe's remarkable achievements firsthand.
Joe Brinzi's commitment to safety has been exemplary, and his efforts have elevated safety standards to new heights. He was among the first businesses to achieve accreditation from the Office of Federal Safety Compliance (OFSC), a testament to his dedication and expertise in WHS compliance.
In addition to his accomplishments, Joe has emerged as a trailblazer in the construction industry, spearheading safety initiatives and driving positive change. His active participation in the Industry Reference Group (IRG) has been instrumental in shaping the commonwealth system and implementing crucial reforms. Joe's insights, knowledge, and willingness to advocate for best practices have proven invaluable to the IRG's Endeavor's.

Furthermore, Joe's leadership and contributions have had a significant impact not only within his own organisation but also across the broader industry. His forward-thinking approach, coupled with his ability to effectively collaborate with stakeholders, has garnered respect and admiration from his peers.

It is with great enthusiasm that I offer my support for Joe Brinzi's endeavours. His unwavering commitment to safety, extensive expertise, and influential role in the IRG make him an outstanding candidate for any initiative or undertaking related to WHS compliance and safety leadership.

Thank you for your attention to this matter. I am confident that Joe's continued dedication and expertise will contribute significantly to the ongoing advancement of Workplace Health and Safety.

Yours sincerely,

Subject: Joe Brinzi & Bow Projects

I am writing this letter to express my strong support for Joe Brinzi and Bow Projects in their pursuit of construction projects on the Gold Coast. As a former Gold Coast resident, who has had the privilege of working closely with Joe on a previous projects, I can confidently vouch for his exceptional leadership skills and the impressive capabilities his Bow Projects.

During my collaboration with Joe, he served as the team leader for the construction of the Commonwealth Athletes Village. This project presented a challenging timeline, but under Joe's guidance, the team successfully delivered the project on time without any significant issues. His exceptional project management skills, dedication, and unwavering commitment to excellence were instrumental in achieving this feat.

Joe Brinzi is a natural leader who possesses the ability to inspire and motivate his team to perform at their best. His strong work ethic, attention to detail, and meticulous approach ensure that every aspect of the project is executed flawlessly. Furthermore, I was particularly impressed by Joe's problem-solving capabilities, as he consistently found innovative solutions to overcome obstacles and keep the project on track.

In addition to his leadership qualities, Joe Brinzi consistently delivers high-quality work. The Commonwealth Committee fully entrusted Joe and his team for their exceptional track record and their unwavering dedication to excellence. Their meticulous attention to detail, and commitment to conducting thorough analysis of the highest standards have earned them a stellar reputation in the industry.

One of the standout qualities of Joe and is their can-do attitude. Regardless of the challenges they encounter, they approach each task with a positive mindset and a determination to find solutions. Their willingness to go the extra mile and tackle difficult tasks head-on makes them an invaluable partner for any construction project.

In conclusion, I wholeheartedly support Joe Brinzi and Bow Projects in their endeavour to undertake construction projects on the Gold Coast. Their proven expertise, exceptional leadership, and commitment to excellence make them a highly qualified and reliable choice for any construction undertaking. I am confident that their involvement will not only guarantee the successful completion of projects but also contribute to the overall growth and development of the Gold Coast.

I support B.O.W Project to take on the construction of the 2032 Athletes village in Hamilton Brisbane.

Sincerely,

Mark Peters
Former GOld Committee.
